## WHAT MORE CAN YOU ASK FOR?

First Time Starter Winner-- Big Odds( 24 to 1)-- Won in a Cat Hop( a new term to me) !!

POHATAN PRINCESS- chestnut filly 1996 by Goldlust out of Texas Tap by Marshua's Dancer accomplished this feat when she won her first start by three lengths at Delaware on July 19, 1999. Dr. Darrell Gilliam of Chesterfield is the owner and breeder of this Virginia bred filly. Robbie Bailes is the trainer. An official at Delaware said she won in a Cat Hop. I have never heard this term before, but I am looking forward to more Cat Hops in the future!

Speaking of cat hops- TAPADITTY 1996 bay colt by Eastover Court also broke his maiden in style winning first time out at Laurel in a seven furlong Maiden Special Weight by 2 1/2 lengths on July 31, 1999. Marvin Champion of Arlington, Virginia is the owner. James W. Casey is the trainer.

ICE AFFAIR- gray filly by Black Tie Affair won a \$26,000 six furlong Allowance race at Pimlico on June 19, 1999. After being purchased at Ocala as a two year old in training, Ice Affair was sent to Eagle Point when no one was able to get her to go around the race track.

Unfortunately she had learned some very bad habits. As we all know, trying to break a bad habit takes much time and effort. In the case of Ice Affair, many hours were spent just trying to have her walk forward on her own without rearing and wheeling. I felt like I was giving pony rides when day after day her training consisted of just leading her around a field with a rider on her back. After a lot of voice commands and patience we progressed to having her follow me. Finally we managed to proceed to the track with a horse in front leading the way and a lead pony behind with a lounge whip just sweeping the ground behind her. Patience paid off as you can see. Moral of Story- A well broken horse saves a lot of time!

BARN D. ch. g. by Blushing John put together another win for breeder James W. Gottwald of Goochland when he won by 1 1/2 lengths at Pimlico on June 17th in a 1 1/4 mile allowance race on a muddy track.
